

UNIVERSITY  
OF ECONOMICS AND HUMAN SCIENCES  
IN WARSAW

## Banking and insurance

Type:  
**Undergraduate  
(Bachelor)**

Field of study:  
**Finance and Accounting**

Duration of study:  
**3 years (6 semesters)**

Mode:  
**full-time | online**

Language:  
**Polish | English**

Obtained title:  
**bachelor's degree**

## Why are these studies worth choosing?

The specialization enables acquiring knowledge about the principles of operation and functioning of European financial institutions from the banking and insurance sector.

It helps to understand the essence of tasks performed by modern banks and insurance companies. Prepares students for the analysis and assessment of market risk and the rational use of financial instruments.

# What can you do after graduation

After completing these studies, you can work as a specialist in banks, insurance companies, tax offices, brokerage houses, investment funds or in the financial department of any enterprise.

## This program is for you if:

**You want to develop your career in the financial sector**

**You have an analytical sense and an inquisitive mind**

**You are interested in how financial institutions work**

Study last 3 years (6 semesters), are worth 180 ECTS credits, end with a bachelor's degree.

The study program covers issues related to the understanding and practical use of knowledge in the field of finance and accounting in various spheres of economic activity.

## FIRST YEAR OF STUDY

The first year of studies is dominated by subjects which, regardless of the chosen field of study, will provide broad horizons of thinking and understanding of the concepts and basic issues in a given field of study. As a result, you will gain knowledge and skills that will help you find yourself in many different professions in the future, and prepare to undertake interdisciplinary projects, which is particularly important and valued on the labour market today. From the second semester, the classes introduce more and more detailed content specific to the selected field of study.

## Tuition fees

### FIXED TUITION - FLEXIBLE PAYMENTS

By choosing to study at UEHS, you can be sure that the tuition fee will not change throughout the duration of your studies. You can pay the tuition fee once for the entire year of study or spread over a semester payment. This allows you to decide how you want to plan your expenses.

### REDUCE THE COST OF YOUR STUDIES

As part of the UEHS discount programme, you can take advantage of various reductions and promotions. They are usually applied in the first year of study. It means that your tuition fees will be reduced by the amount of the discounts granted. Candidates who register and pay their tuition fees within one month of registration will receive an English language course for free. The course covers 80 hours of English classes and 20 hours of classes of Polish culture.
