bachelor's degree

Why are these studies worth choosing?

Financial management is an extremely important area of management in any organization. It includes such tasks as: shaping the optimal level and structure of assets, creating an investment strategy, controlling the financial situation or analyzing the market and position of the company.

Virtually every decision made in the enterprise is reflected in finances, which is why it is a specialty that offers wide career opportunities.

What can you do after graduation

The implementation of the program of this specialization will facilitate running your own business and performing the function of a financial manager or financial advisor in organizations of various types.

This program is for you if:

You are thinking of a professional career in the financial world

You have the qualities of a leader and like to make decisions on your own

You are interested in how companies make a profit

Study last 3 years (6 semesters), are worth 180 ECTS credits, end with a bachelor's degree.

The study program covers issues related to the understanding and practical use of knowledge in the field of finance and accounting in various spheres of economic activity.

FIRST YEAR OF STUDY

The first year of studies is dominated by courses which, regardless of the chosen field of study, will provide broad horizons of thinking and understanding of the concepts and basic issues in a given field of study. As a result, you will gain knowledge and skills that will help you find yourself in many different professions and prepare yourself to undertake interdisciplinary projects, which is particularly important and valued on the labour market today. From the second semester, the courses introduce more and more detailed content specific to the selected field of study.

Tuition fees

FIXED TUITION - FLEXIBLE PAYMENTS

By choosing to study at UEHS, you can be sure that the tuition fee will not change throughout the duration of your studies. You can pay the tuition fee once for the entire year of study or spread over a semester payment. This allows you to decide how you want to plan your expenses.

REDUCE THE COST OF YOUR STUDIES

As part of the UEHS discount programme, you can take advantage of various reductions and promotions. They are usually applied in the first year of study. It means that your tuition fees will be reduced by the amount of the discounts granted. Candidates who register and pay their tuition fees within one month of registration will receive an English language course for free. The course covers 80 hours of English classes and 20 hours of classes of Polish culture.
