

International finance and global trading

Type:
**Undergraduate
(Bachelor)**

Field of study:
Finance and Accounting

Duration of study:
3 years (6 semesters)

Mode:
full-time | online

Language:
Polish | English

Obtained title:
bachelor's degree

Why are these studies worth choosing?

Studies in this specialization shape the skills in the field of finance for the needs of international transactions and the creation and development of foreign ventures.

The emphasis is on the knowledge of globalization, financial and monetary systems, EU funds and the field of contemporary international economic relations.

What can you do after graduation

After graduating from these studies, wide opportunities open up, as virtually every larger enterprise also functions in the international sphere. You can start your professional career in international corporations, financial sector institutions, offices in administration and international organizations, as well as scientific and research institutions or in the media sector.

This program is for you if:

You want to develop an international career in the financial world

You are curious about the world and enjoy international contacts

You are interested in how institutions all over the world work together

Study last 3 years (6 semesters), are worth 180 ECTS credits, end with a bachelor's degree.

The curriculum covers issues related to the understanding and practical use of knowledge in the field of finance and accounting in various spheres of economic activity.

FIRST YEAR OF STUDY

The first year of studies is dominated by courses which, regardless of the chosen field of study, will provide broad horizons of thinking and understanding of the concepts and basic issues in the given field of study. As a result, you will gain the knowledge and skills that will help you find yourself in many different professions and prepare to undertake interdisciplinary projects, which is particularly important and valued on the labour market today. From the second semester, the classes introduce more and more detailed content specific to the selected field of study.

Tuition fees

FIXED TUITION - FLEXIBLE PAYMENTS

By choosing to study at UEHS, you can be sure that the tuition fee will not change throughout the duration of your studies. You can pay the tuition fee once for the entire year of study or spread over a semester payment. This allows you to decide how you want to plan your expenses.

REDUCE THE COST OF YOUR STUDIES

As part of the UEHS discount programme, you can take advantage of various reductions and promotions. They are usually applied in the first year of study. It means that your tuition fees will be reduced by the amount of the discounts granted. Candidates who register and pay their tuition fees within one month of registration will receive an English language course for free. The course covers 80 hours of English classes and 20 hours of classes of Polish culture.
