

Journalism

Type:
**Undergraduate
(Bachelor)**

Field of study:
Political Science

Duration of study:
3 years (6 semesters)

Mode:
full-time | online

Language:
Polish | English

Obtained title:
bachelor's degree

Why is it worth choosing these studies?

Graduating from this specialization prepares you not only to work as a journalist, but also to start a professional career in the broadly understood media world - in the press, on the radio, on television, and in the online media.

The study program has been designed to be a source of professional preparation for effective functioning on the modern media market. These are studies that shape media personality by developing communication skills.

What can you do after graduation

Completing the specialization opens up wide opportunities to work in the media market - as a PR expert, media expert, presenter, editor, editor, marketer, radio host or press spokesman.

This program is for you if:

You have a light pen

You're interested in the media

You dream of a career as a journalist or work in the media

Curriculum and study structure

Study last 3 years (6 semesters), are worth 180 ECTS credits, end with a bachelor's degree.

The study program covers issues related to the understanding and practical use of knowledge in the field of political science in various spheres of social activity.

FIRST YEAR OF STUDIES

The first year of studies is dominated by subjects which, regardless of the chosen field of study, provide broad horizons of thinking and understanding of concepts and basic issues in a given field of study. As a result, you will gain knowledge and skills that will help you find yourself in many different professions in the future, and prepare to undertake interdisciplinary projects, which is particularly important and valued on the labor market today. From the second semester, the classes introduce more and more detailed content specific to the chosen field of study.

Tuition fees

FIXED TUITION - FLEXIBLE PAYMENTS

By choosing to study at UEHS, you can be sure that the tuition fee will not change throughout the duration of your studies. You can pay the tuition fee once for the entire year of study or spread over a semester payment. This allows you to decide how you want to plan your expenses.

REDUCE THE COST OF YOUR STUDIES

As part of the UEHS discount programme, you can take advantage of various reductions and promotions. They are usually applied in the first year of study. It means that your tuition fees will be reduced by the amount of the discounts granted. Candidates who register and pay their tuition fees within one month of registration will receive an English language course for free. The course covers 80 hours of English classes and 20 hours of classes of Polish culture.
