

Psychology (BA)

Type:
**Undergraduate
(Bachelor)**

Field of study:
Psychology

Duration of study:
3 years (6 semesters)

Mode:
full-time | online

Language:
Polish | English

Obtained title:
bachelor's degree

Why are these studies worth choosing?

Thanks to studies in psychology, you are prepared to work in the fields in which knowledge of the mechanisms governing the human psyche is vital. Moreover, after completing Bachelor studies, you can take a master's degree and continue education gaining even more expertise in applied and theoretical psychology.

The first-cycle study program provides you with the solid basis of psychological knowledge and skills, which are essential in many areas related to the professional activity of psychologists in the modern world.

What can you do after graduation

PSYCHOLOGY
(BACHELOR DEGREE)

Thanks to the knowledge gained during the studies you can seek employment in the field of psychological counselling, human resources, advertising and many more. With further training (e.g., MA studies and additional courses), you can also gain qualifications to practice clinical psychology, including psychopathology, neuropsychology and psychological diagnosis.

This program is for you if:

You'd like your future profession to be linked to psychology

You want to continue education in the fields related to psychology

You want to gain theoretical and practical skills related to human behaviour and psychological processes.

Curriculum and study structure

PSYCHOLOGY
(BACHELOR DEGREE)

FIXED TUITION - FLEXIBLE PAYMENTS

By choosing to study at UEHS, you can be sure that the tuition fee will not change throughout the duration of your studies. You can pay the tuition fee once for the entire year of study or spread over a semester payment. This allows you to decide how you want to plan your expenses.

REDUCE THE COST OF YOUR STUDIES

As part of the UEHS discount programme, you can take advantage of various reductions and promotions. They are usually applied in the first year of study. It means that your tuition fees will be reduced by the amount of the discounts granted. Candidates who register and pay their tuition fees within one month of registration will receive an English language course for free. The course covers 80 hours of English classes and 20 hours of classes of Polish culture.
