

UNIVERSITY
OF ECONOMICS AND HUMAN SCIENCES
IN WARSAW

Smart City Society

Type:
**Undergraduate
(Bachelor)**

Field of study:
Political Science

Duration of study:
3 years (6 semesters)

Mode:
full-time | online

Language:
Polish | English

Obtained title:
bachelor's degree

Why is it worth choosing these studies?

It is a unique specialty that responds to the needs of a changing world.

The program allows students to deepen their technical and social knowledge regarding the phenomenon of functioning and development of modern metropolises.

What can you do after graduation

Due to the dynamics of changes taking place in the area of urban development, there is a growing demand for specialists who will be able to implement and manage these changes. Graduates of this specialization path will be desirable experts in central offices, companies specializing in promotion, advertising and city events, as well as in all entities providing services based on modern technologies for urban communities.

This program is for you if:

You are interested in the subject of changes occurring in urban agglomerations

You would like to have a real impact on the development of the metropolis

Modern technologies are not alien to you

Curriculum and study structure

Study last 3 years (6 semesters), are worth 180 ECTS credits, end with a bachelor's degree.

The study program covers issues related to the understanding and practical use of knowledge in the field of political science in various spheres of social activity and international cooperation.

FIRST YEAR OF STUDIES

The first year of studies is dominated by subjects which, regardless of the chosen field of study, provide broad horizons of thinking and an understanding of concepts and basic issues in a given field of study. As a result, you will gain knowledge and skills that will help you find yourself in many different professions and prepare to undertake interdisciplinary projects, which is particularly important and valued on the labor market today. From the second semester, the classes introduce more and more detailed content specific to the selected field of study.

Tuition fees

FIXED TUITION - FLEXIBLE PAYMENTS

By choosing to study at UEHS, you can be sure that the tuition fee will not change throughout the duration of your studies. You can pay the tuition fee once for the entire year of study or spread over a semester payment. This allows you to decide how you want to plan your expenses.

REDUCE THE COST OF YOUR STUDIES

As part of the UEHS discount programme, you can take advantage of various reductions and promotions. They are usually applied in the first year of study. It means that your tuition fees will be reduced by the amount of the discounts granted. Candidates who register and pay their tuition fees within one month of registration will receive an English language course for free. The course covers 80 hours of English classes and 20 hours of classes of Polish culture.
